Bio/Artist's Statement

Exhibitors are encouraged to submit a brief biography and/or artist's statement when you deliver your artwork.

This will be included in a binder that will be left in the exhibition room with the art show.

Size is limited to one side of an 8 1/2" x 11" piece of paper.

An **artist's statement** contains anything that you want to say to your audience...WHY you chose to create what you have created. WHAT motivated and/or inspired you. Is there a background story to your piece(s)? How long have you been doing this? What other mediums or art interests to you have?

A **bio**(graphy) is not necessarily a work resumé. It can include as much or as little personal information as you want it to. It can include your exhibition history, major landmarks in your creative endeavors, training & education in art, art organization affiliations, art goals, even a funny or touching story connected to your career as an artist.

Be as creative as you want to. Be brief and keep it understandable.
